

TECHNICAL SPECIFICATION

PVC insulated steel spirals

Technical data:

- Material: Galvanized steel, helically wound, flexible steel conduit with PVC coating; PVC – resistant against corrosion
- Colour – black
- Operating temperature: -5° ÷ +65°

Variants:

| Type | Inner Diameter Φ (mm) | Outer Diameter Φ (mm) | Packing (m) | Catalogue number |
|-------------------------------|--------------------------|--------------------------|-------------|---------------------|
| PVC insulated steel spiral | 11 | 15.2 | 50 | 500P11 |
| | 14 | 18.4 | 50 | 500P14 |
| | 16 | 20.4 | 50 | 500P16 |
| | 18 | 22.4 | 50 | 500P18 |
| | 26 | 30.4 | 25 | 500P26 |
| | 37 | 42.4 | 25 | 500P37 |
